MEMPHIS APPEAL

OFFICIAL JOURNAL OF THE CITY.

Senators are more than suspended of taking bribes, and of sanctioning measures of special legislation which could only be carried by a liberal distribution of money. If Congressmen are less venal than Senators, all we have the corruption, and the control of th

City of Boston. The Emperor and Empress of Russia have sent letters of condolence to the tary Committee into the alleged sale

day last the corps of engineers arrived at that place, making the permanent location of the Tennessee and Pacific Railroad.

The Chicago Republican says there is no Common for Service Services from Services of Common for Services of Common for Services from Services f "Mrs. Senator Revels." Then what old negro woman was it that Sumner and Tipton were flirting with in the gallery of the Senate the other day?

A New York dispatch of yesterday spectable citizen who had lived in his

says: "Several presidents of insurance district long enough to acquire a resi-

State Assembly, requiring them to report to-day, before the Insurance Committee at Albany."

The Nashville Union and American, of Wednesday, announces that John Overton and M. Burns, Esqs., recently appointed by the Governor, and confirmed by the are other patriots who, having been Senate, as Inspectors for the Penitentiary, caught in this disgraceful hucksterdecline to serve the State in that capacity, ing business, now betray great and have sent to Gov. Senter their resignanciety to show how honestly

were killed outright, and Mr. Fred. Mor- terpreted by the Ledger in a different ris, brother of Mr. Ben. Morris, was sense from that intended by us. The

visit is to be made to this country by pro-fessional English cricket players, who are have been pledged a large sum of money, ling enough, and not easily concealed,

Among the bills introduced into the Assembly Wednesday evening was one to which we have had any knowledge. "But I have a single remark to make, and if my colleague thinks it is not true, it is because he has not reorganize the Eric Railroad Company. It should be evident enough without mingled in the politics of the country This bill was drawn by the counsel of the Erie Railroad, and is designed to forestall the action about to be taken by the English stock and bondholders of the Erie, and to put Fisk, Gould & Co. in full pos- so heavily in debt by the corporate moral reform in the politics of the assion of the road for all time to come. suthorities. The intention is to buy the bill through the Legislature, as was done with the Eric legislation two years ago, and the mar-

stocks of goods. The loss is estimated at as follows:

act that not only has WHITTEMORE though an humble member (the Sing Sing protege of SUMNER, sire to go home with the odium of checked throughout the land, now Representative from South Caro- brought up on my name, lina) sold a cadetship in the West Point Academy for two thousand dollars, but also to the further fact that two other members from Louisiana | Some of our merchants are moving have made similar sales, one at \$1500 to effect an organization to defeat the and the other at \$3000. The carpet-baggers have been doing just that sort of business as a regular vocation utterly defeated the expectations of pulpits of Rome seems to be the Irish in the South ever since the war, and the people. We think it would be Dominican Father Burke. The Irish Dominicans in Rome, as you know, if is not to be expected they will do any better to delay action on this subject or as, perhaps, you don't know, ocany better in the atmosphere of Wash- until we have the Constitution before cupy, or more strictly speaking, posington. We protest that it is positively unreasonable to expect the abandonment of old habits under such circumstances. And we think A meeting of the Chamber of Comsultation beautiful to describe the computation, when we shall be able to act more understandingly on the subject. Cancers. oli-me-Tangere, Lupus, or Wolf Cancer, Scirrhus Cancer-Fungous Cancer, Rose Cancer-Spider Cancer, I make a great specialty in the treatment of every description of causer and tumors, and have a special department devoted to this branch of disease.

How many cancers and tumors are wrongfully treated by certain charlatans styling themselves "Cancer Dectors."

After being pronounced incurable, I will take any one of these cases in hand, and make a permanent cure.

My terms for treating cancers, etc., will be hased on the age and condition of the patient, and the positive cortainty of cure.

Generative Affections. Belf-abuse Discharges Stricture Gle Seres Spermatorrhosa Geminal ry and Secondary)— Impotence (Loss of Virility — Premature Decay—Debtity Impotence (Loss of Virility)—Premature

Decay—Debility.

The press, the pulpit and the lecture rooms are silent on the subject of diseases of the sexual organism. A take delicacy conceals the knowledge for which thousands thire.

And how herribde are these diseases? **Spermatorrhos, shattering the entire Vervous System—Impairing the mind—and causing self-destruction. Syphilis, eating my the body by piece-meat—being literally caten up alve, and forturing the arms with agony.

Charlatans, or incompetent physicians may cassy to cure them, but in valor. The only hope and resert is in the humans and learned physician who understands their case.

Among these affections, hence are worse than Spermatorrhos, or Seminal Weakness, and emissions. Br. Woodbridge says, "That the loss of one cunce of seminal finid passes off unperceived in the urins.

Empirics, and characteriess men, by working upon the fears of a mind, too often sharing upon the fears of a mind, too often sharing upon the fears of a mind, too often sharing the feebleness of the body, not only extort large sums of money, but, in nearly every instance, have complicated the disease, and rendered it more difficult to cure. I have never yet seen a case of Sexual Weakness or Impotency cured by any physician butting and the order of the sexual organs have, been deeply studied by me for many years. I have made a discovery in the treatment or all say phillitic and virulent diseases which promises to overthrow all memor preconsecution.
